

## Alessio DIMOUT

Item number 29454, KMAT 61000261

### Product description

Dimout curtains are blackout fabrics that can reduce the usual 40% light transmission to just 1%. The degree of darkening is 99%, depending on the color. Dimout fabrics are a double satin with a black weft. These two components ensure a very dense, softly flowing fabric that hardly lets any light through and has excellent acoustic properties. Alessio DIMOUT is a blackout fabric with a silky sheen that allows hotel guests and care facility residents to sleep peacefully.
