

Blush DELINIGHT

Item number 61000650, KMAT 61000650

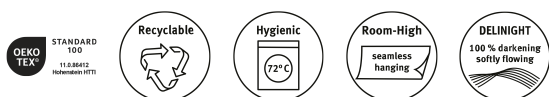

Product description

Our Blush collection combines expressive design with the latest printing techniques.

The Blush design impresses with a unique colour gradient that extends across the entire width of the fabric and gives the surface a painting-like appearance. This interplay of colour offers scope for a wide variety of associations and can evoke different moods, whether it be a tranquil sunset, a dramatic sunrise or the expanse of green meadows.

In this version, the design is printed on our sustainable DELINIGHT base cloth and ensures 100% blackout. Blush is also available on a transparent fabric as an alternative: Blush DELILIGHT
