

Breeze Leno DELICARE

Item number 22932, KMAT 61000052

Product description

The Blossom curtain is part of the Care.Collection. With great attention to detail and special attention to design and function, we have put together this collection for the care sector, based on the idea of Healing Architecture and inspired by the idea of Biophilic Design. Blossom Leno DELICARE is a colorful dégradé with large flowers at the bottom.

DELICARE was specially developed for the care sector and stands for antimicrobial and air-purifying curtain fabrics. These are available on request from a minimum quantity of 100 m with a DELICARE finish that remains intact even after multiple washes.
