

Colorado

Item number 41879, KMAT 61000397

Product description

Colorado is a modern faux leather with a broad and vibrant color palette. This includes 49 colors - from finely graded natural tones, powdery restrained to highly colored tones. This artificial leather meets the current environmental requirements as it does not contain any phthalates (plasticizers). It is antibacterial and resistant to disinfectants and urine. With 400,000 abrasion cycles, it is extremely resilient Colorado has a Sanitized® hygiene function. This protects the surface from bacteria and mould, reduces mites and odours and is therefore antimicrobial. These properties make Colorado suitable for headboards, bed surrounds and furniture in the indoor, outdoor and health & care sectors.

Technical Details

Fabric width	approx. 138 cm
Weight je m²	approx. 710 g/m ²
Composition	86% PVC, 14% Polyester

Flame retardancy IMO 2010 FTP Code Part 8, IMO 2010 FTP Code Part 7, 1 / M, DIN EN 1021-2, DIN EN 1021-1, CAL TB 117, NFPA 260
Flammability performance is dependant on the foam used.

Light fastness note 5-6

Seawater safety 5

DIN EN ISO 105-B02
Chlorine water safety 4-5

Rubbing fastness dry: note 4-5, wet: note 4-5
DIN EN ISO 105-X12

Abrasion to Martindale approx. 400000 rubs
DIN EN ISO 12947-2
DIN EN 14465-2006

Pilling Note 5 at 2000 rpm
DIN EN ISO 12945-2

Care labelling
