

Cosy

Item number 31106, KMAT 61000272

Product description

The upholstery fabric Cosy is a coarse bouclé with a revitalized, particularly soft surface that can easily withstand 50,000 abrasion cycles. Cosy is part of the Soft & Strong collection. These particularly soft, functional upholstery fabrics are ideal for use in commercial and public spaces. High abrasion resistance, good light fastness and a wide range of flame retardant properties are proof of this. Thanks to their purity (all 100% polyester FR), they are recyclable and can be returned to the material cycle.
