

Float Divan DELICARE

Item number 34151, KMAT 61000441

Product description

The Float curtain is part of the Care.Collection. With great attention to detail and special attention to design and function, we have put together this collection for the care sector, which is based on the idea of healing architecture and inspired by the idea of biophilic design. The Float Divan DELICARE curtain features a dynamic stripe design with curved, vertical lines. DELICARE was specially developed for the care sector and stands for antimicrobial and air-purifying curtain fabrics. These are available on request from a minimum quantity of 100 m with a DELICARE finish, which is retained even after multiple washes .
