Product description

Furniture fabrics from the Collection 80,000+ impress with their clear design, natural look and extensive range of colors. Genua has a purist look thanks to its coarse weave and is therefore particularly suitable for modern, clean designs. With its 100,000 abrasion cycles, it is extremely hard-wearing. 25 different colors form a pleasant mix of current natural tones and trendy accent colors. The clean design sets accents in the modern hotel industry, in office furnishings and in restaurant furnishings.
