

Liv DELIGARD

Item number 22375, KMAT 61000224

Product description

DELIUS upholstery fabrics with DELIGARD technology are particularly resistant to moisture and dirt. The innovative system gives bacteria, dirt and moisture no chance. The technology prevents the growth of germs and therefore offers lasting cleanliness even under heavy use. They are the solution for long-lasting stain-free upholstery. The surface is covered with a special coating that protects the fabric from the penetration of dirt. The protective layer on the reverse prevents moisture and wetness from penetrating. Liv, with its soft feel and modern look, radiates elegance and self-confidence. The light, crepe-like structure of the surface, paired with a subtle melange, gives the upholstery fabric its unmistakable character. The color palette is made up of finely graduated natural and grey tones and optionally soft powdery or deep muted colors. The color nuances range from delicate rosé and terracotta to saffron yellow, elegant olive green and deep midnight blue. A total of 18 colors are available. Liv is a must if you value neat upholstery in your home.

Technical Details

Fabric width	approx. 136 cm
Weight je m²	approx. 450 g/m ²
Composition	Nutzschicht 100% Polyester
Flame retardancy	IMO 2010 FTP Code Part 8, DIN EN 1021-2, DIN EN 1021-1 Flammability performance is dependant on the foam used.
Light fastness	note 4
Rubbing fastness DIN EN ISO 105-X12	dry: note 4-5, wet: note 4-5

Abrasion to Martindale
DIN EN ISO 12947-2
DIN EN 14465-2006

approx. 50000 rubs

Pilling
DIN EN ISO 12945-2

Note 3-4 at 2000 rpm

Care labelling

State
