

Malta X DELIGARD

Item number 35470, KMAT 61000123

Product description

DELIUS upholstery fabrics with DELIGARD technology are particularly resistant to moisture and dirt. The innovative system gives bacteria, dirt and moisture no chance. The technology prevents the growth of germs and therefore offers lasting cleanliness even under heavy use. They are the solution for long-lasting stain-free upholstery. The surface is covered with a special coating that protects the fabric from the penetration of dirt. The protective layer on the reverse prevents moisture and wetness from penetrating. Malta X impresses with its lively texture and subtle sheen. If desired, the matching decorative fabric can also be combined with the Albero item as a curtain or cushion cover.
