Bitte unbedingt die Angaben des Hersteller beachten.

Diese Liste zeigt, welche Desinfektionsmittel zur Flächendesinfektion empfehlenswert sind. Da wir keinen Einfluss auf mögliche Veränderungen der Inhaltsstoffe und die Art der Anwendung haben, können keine Garantien seitens der Delius GmbH & Co. KG übernommen werden.

Please observe the manufacturer's instructions.

This list shows which disinfectants are recommended for surface disinfection. As we have no influence on possible changes of the ingredients and the type of application, no guarantees can be given by Delius GmbH & Co. KG can be assumed.

Veuillez respecter les instructions du fabricant.

Cette liste indique quels sont les désinfectants recommandés pour la désinfection des surfaces. Comme nous n'avons aucune influence sur les éventuelles modifications des ingrédients et du type d'application, aucune garantie ne peut être donnée par Delius GmbH & Co. KG peut être supposée.

Si prega di osservare le istruzioni del produttore.

Questo elenco mostra quali disinfettanti sono consigliati per la disinfezione delle superfici. Poiché non abbiamo alcuna influenza su eventuali modifiche degli ingredienti e sul tipo di applicazione, Delius GmbH & Co. KG può essere assunto.
